1. PRODUCT CONFORMITY ASSESSMENT

PROGRAM NAME	Pre-Export Verification Of Conformity To Standards (PVoC)
PROGRAM MANDATED BY	Zambia Bureau of Standards (ZABS)
IMPLEMENTATION DATE	1 st May 2011 (shipment date)
PROGRAM OBJECTIVE	To protect the country and the consumers against the importation of substandard products that can endanger public health, safety and environment; to prohibit the entry of unsafe and / or counterfeit products as well as to protect local manufacturers against unfair competition from imported products which do not comply to National Standards.
SCOPE OF THE PROGRAMME	The verification of conformity of regulated products (as listed in point 2) with Zambia Standards or other approved International Standard or Technical Regulations.
VERIFICATION PROCESS	<p>Exporter submits to SGS following documents:</p> <ul style="list-style-type: none"> • Request for Certification (indicating the Point of Entry in Zambia); • Proforma invoice; • Conformity documents (test reports, quality certificates, analysis reports, etc.); • Company's Quality Management System documents (ISO 9001, ISO 22000, ISO/TS 16949, etc.); and • Final Invoice (except for neighbouring countries). <p>To obtain evidence that all the requirements in the applicable standards and technical requirements are met, goods must undergo one or a combination of the following verification activities:</p> <ul style="list-style-type: none"> • Physical inspection • Laboratory testing • Factory audit • Documentary verification <p>After the verification process is completed with satisfactory result, including the physical inspection, exporter will have to provide following documents to allow the issuance of the CoC: Final Invoice (wherever possible).</p>

ASSESSMENT METHODS	<p>Three methods are proposed to the exporters to demonstrate the compliance of their products and to obtain a Certificate of Conformity:</p> <ul style="list-style-type: none"> • Route A for unregistered suppliers/products with ad-hoc shipments to Zambia; • Route B for Registered suppliers/products with regular goods or frequent shipments to Zambia; or • Route C for Certified Products.
CERTIFICATE OF CONFORMITY	A Certificate of Conformity (CoC) is issued as evidence to the compliance of the shipment to the relevant Zambia standards. The CoC is also required for Customs clearance.
NON-CONFORMITY REPORT	If the reports from the verification activities, (such as testing or inspection) show discrepancies versus the verification criteria, exporter will be informed accordingly and shall be given sufficient time to make the necessary corrections; if those are not or cannot be made, a “Non-Conformity Report” (NCR) will be issued.
FEES	<p>Fees are payable in advance by the exporter. Fees are net of any tax present or future that may be applicable and are payable upon receipt of the order (Request for Certification). Fees are due regardless of whether after assessment of the goods the exporter or importer does not provide the information or documents necessary for the final issuance of the CoC, or for any reason, does not proceed with the shipment of the goods.</p> <ul style="list-style-type: none"> • The Fee structure is detailed in section 4.
